Sir:

INTRODUCTORY COMMENTS

This is responsive to the Office Action dated February 2, 2005 in the above application. In view of the following amendments and remarks, reconsideration of the application is respectfully requested.

AMENDMENT

Amendment to the Abstract

An amendment of the written description is presented below under the heading "Amendment of the Abstract."

Amendment to the Specification

In accordance with the suggestion made by the Examiner in the office action, that the entire specification be reviewed and corrected, a Substitute Specification is submitted herewith as a separate document marked "SUBSTITUTE

SPECIFICATION". The SUBSTITUTE SPECIFICATION does not contain new matter.

A marked-up version of the SUBSTITUTE SPECIFICATION is submitted herewith showing all changes made relative to the immediately prior version of the specification of record. The marked-up version shows all amendments made to the text in a manner consistent with Patent Office rules.

Amendments to the Claims

The claims are amended as shown on the following pages under the heading LIST OF CURRENT CLAIMS. The list shows the status of all claims presently in the application including any current amendments. This list of claims is intended to supercede all prior versions of the claims in the application. Any cancellation of claims is made without prejudice or disclaimer.
